Summer Tutoring Program

Facilitated by a qualified, retired Elementary School teacher, Mr. Rob Hughes, this program offers tutoring in Reading and Math over the summer.

Program runs from July 6th to August 14th and offers Group tutoring using various computer programs, games and worksheets that will help prepare your child for an awesome school year starting in the fall. The most benefit will come from participating in all 6 weeks of programming. We require a minimum commitment of 3 days per week. A copy of your child's most recent report card would be a big help!!!

Reading 8:30—9:30 am
Math 9:45-10:45 am

We are also offering a fun fitness program for kids ages 8+ every morning to get kids fit while having loads of fun.

Cost: \$7.00/day/class (\$203/session for entire summer)
